Delivering Kickstart
while developing participants'
skills and experience

KICKSTART
SCHEME

Considering delivering Kickstart but concerned about how you will develop participants' skills and experience?

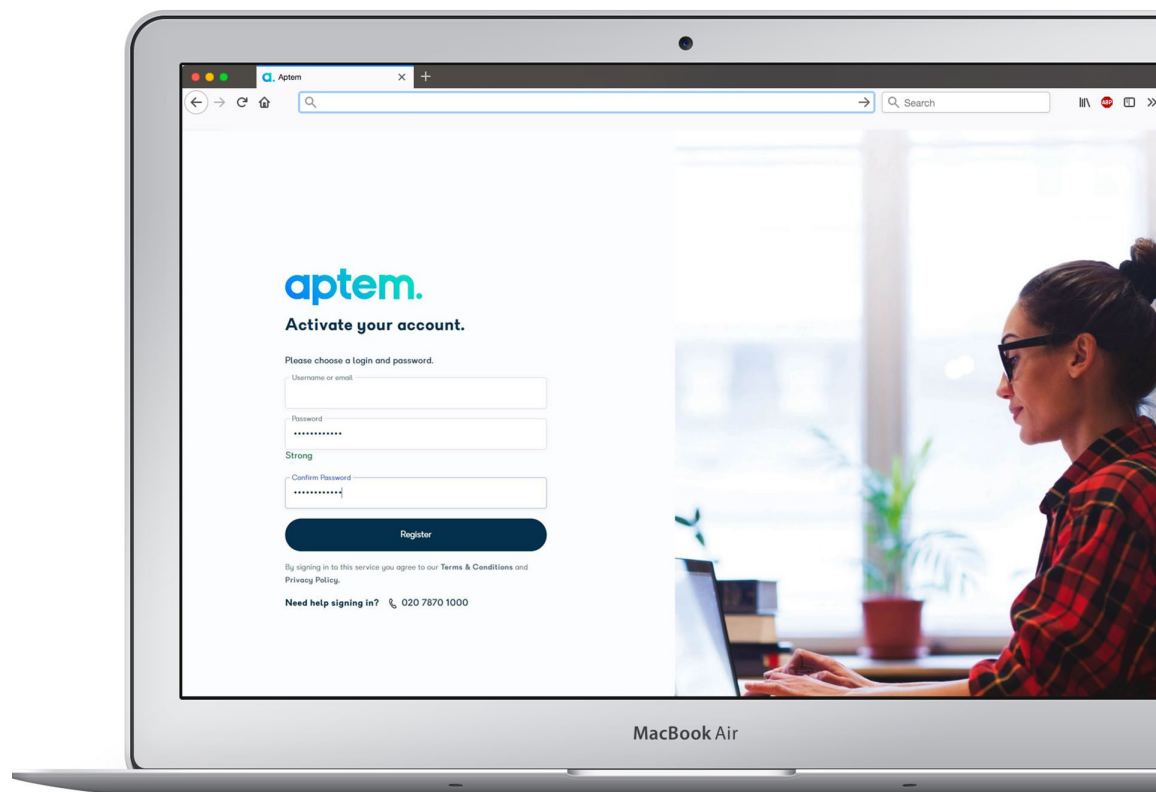

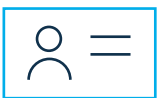

To deliver Kickstart you need to be able to evidence that you are providing employability support so participants' have the maximum chance of securing long term employment.

For a one-off cost of £100 + VAT per person* the online Aptem Employ service will make this simple, enabling you to provide evidence of job skills and job search:

*Note: Minimum order of 30 participants.

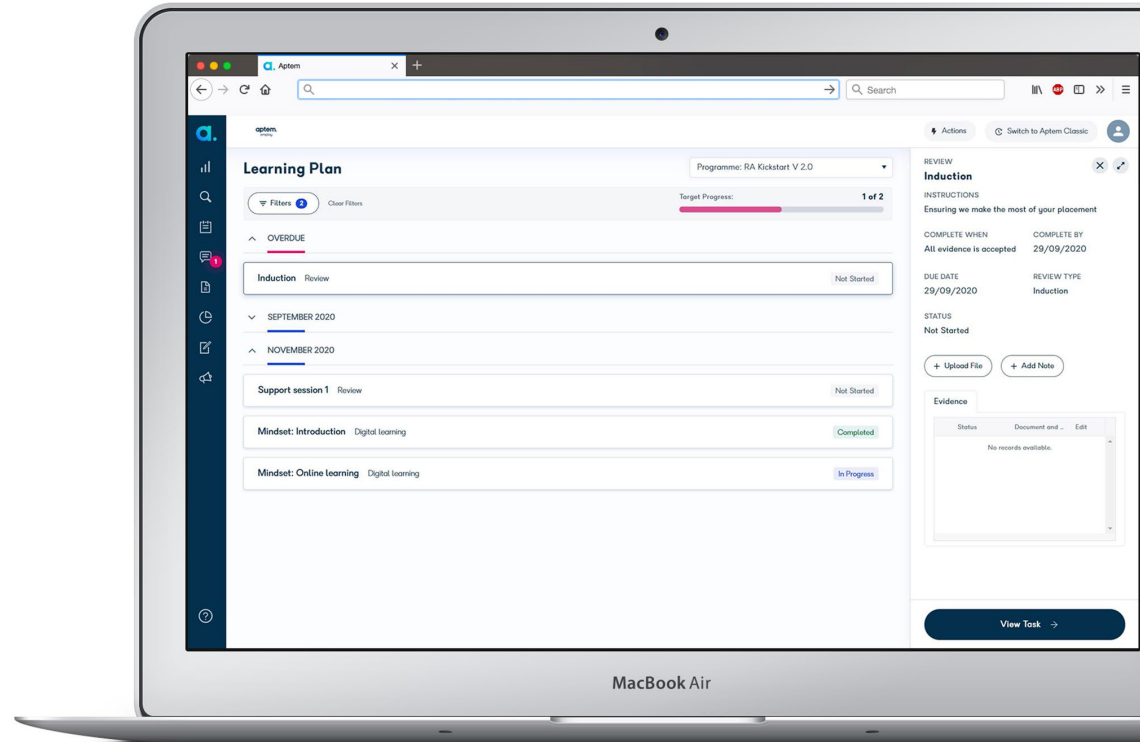

1

Quick and simple jobseeker onboarding.

2

Integrated, auditable reviews to offer pastoral support and get feedback from participants. Including record of time taken to provide support.

3

CV Builder to help participants' secure employment when their placement ends.

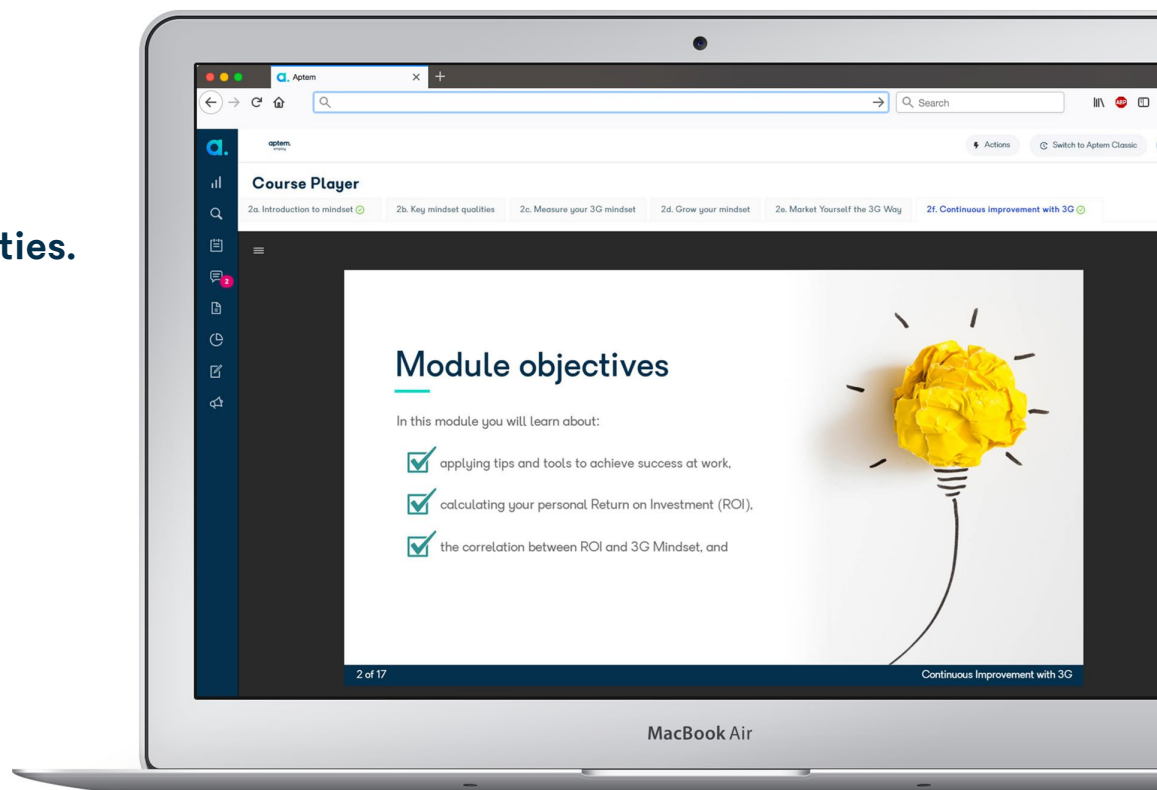

4

Integrated Zoom to enable you to support participants remotely during the placement.

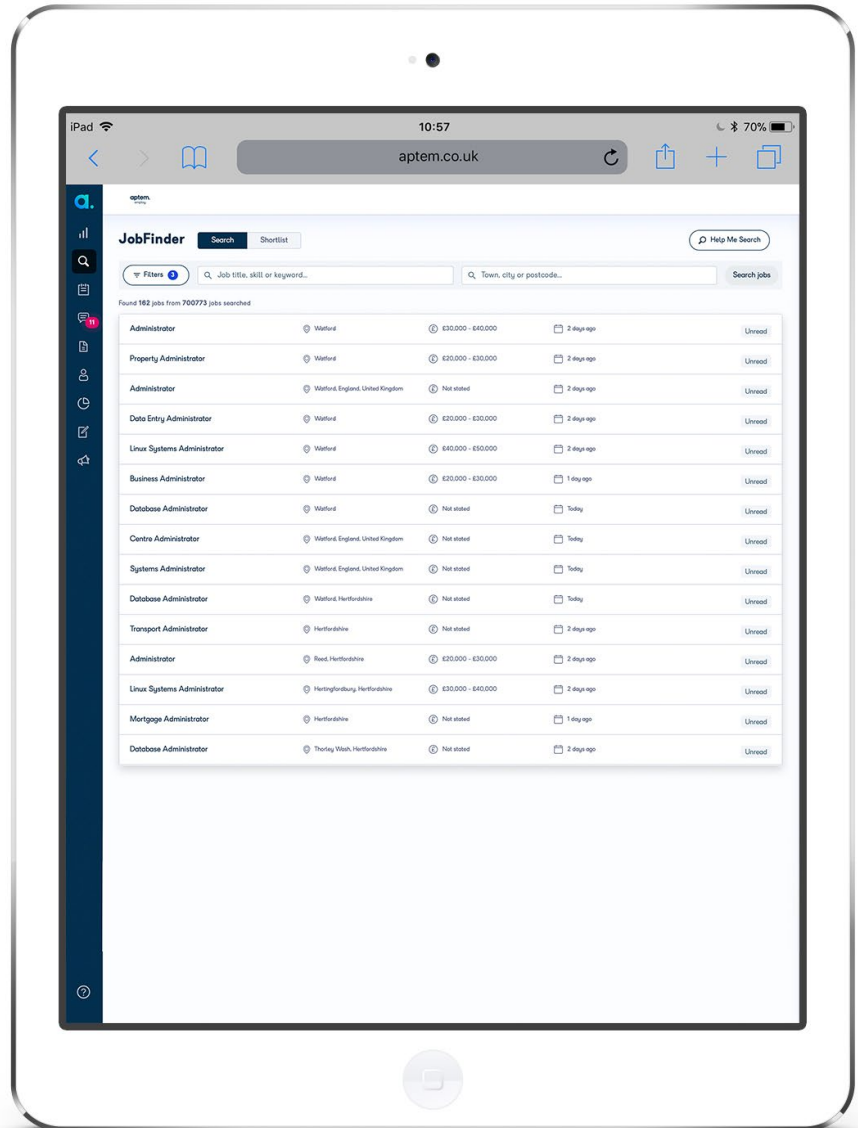

5

Employability eLearning to maximise their career opportunities.

6

Ongoing job search,
each day finding
relevant jobs from
just about every
advertised vacancy
in the UK.

Aptem Employ is delivered exclusively
online, and can be accessed from
any device, anywhere, any time.
